## New Jersey Clean Construction Program POST INSTALLATION VERIFICATION FORM - REPLACEMENTS

I hereby certify (a check mark in each box to indicate acceptance):

- That the equipment identified below has been replaced by the equipment supplier as per their previously-approved quote.
- That the old equipment has been scrapped, rendering it unusable, including:
  - A hole drilled in the engine block of no less than 3"
  - The chassis cut through in at least two places
  - Photographic proof of scrappage will be submitted, where the proof of scrappage will be visible, as well as vehicle serial numbers
- The new equipment will be kept in a well maintained condition and tuned according to the recommendations by the equipment manufacturer.
- That my equipment is subject to inspection to verify that the old equipment has been properly scrapped, and that the new equipment is operating properly.
- The piece of equipment must always use Ultra Low Sulfur Diesel (ULSD) fuel.
- That all of the above conditions will be followed. Any deviation will be considered a breach in the agreement and all monies spent on the purchase of the equipment may have to be returned to NJDEP.

I understand that my equipment will not idle for more than 3 minutes, according to State Law.
